OVER 100 WAGONS OUT AT PUBLIC MARKET

Despite Weather Large Crowd Greeted
Long String of Wagons Covering
Nearly Half of Bridge.

Despite the disagreeable weather a large crowd turned out to the public market Saturday morning. There were about 113 wagons on the bridge and moderate prices prevailed. Butter and eggs were a trifle higher than usual, butter selling at 25c and eggs at 28c and 30c. Peaches were going at \$1.75 per bushel, the price being lowered on account of the abundant quantities in evidence in response to the price of \$2.50 they brought last Thursday.

Below are the prices quoted on the market bulletin-board: Potatoes, \$1 per bushel; cabbage, 20 a lb.; home grown grapes, 15c a basketful; spring chickens, alive, 18c lb.; dressed, 24c; corn, 8c a doz.; hens, alive, 14c lb.; dressed, 20c; wax and green beans, 5c lb.; pears, \$1 per bushel; onions, \$1 per bushel; butter, 35c lb.; eggs, 28c and 30c doz.; peaches, \$1.75 per bushel; tomatoes, 55c bushel; cucumbers, 60c a bushel.

COTTON TIED UP.
GALVESTON, Tex., Sept. 20.—A dozen conferences Friday between Pres. O'Connor of the striking longshoremen and cotton screwmen unions and a committee of local citizens failed to change the sensational situation. Sixty vessels from English countries were waiting in harbor to be loaded with cotton. Railroad officials Friday declared if there was no action taken toward ending the strike soon all shipments of cotton would be sent by way of another port.

FEAR INSANE MAN.
Akron, O., Sept. 20.—Because the instructor and pupils feared the reappearance of Adam Gregory, an insane man, who three weeks ago escaped from the state hospital for the insane at Massillon, O., no session of the public school at Sandy Lake was held Thursday or Friday.

SCALDED TO DEATH.
INDIANAPOLIS, Sept. 20.—James Allen, 2 years old, son of Mr. and Mrs. Samuel Cullen, was scalded to death here Friday when he toppled a pan of boiling preserves from a stove over his body. The little boy's flesh was literally cooked.

SUFFERED SEVERAL YEARS RELIEVED BY PERUNA

"ONE BOTTLE DID ME MORE
GOOD THAN ALL OTHER
REMEDIES PUT TOGETHER."

MR. JOHN N. WATKINS.
Mr. John N. Watkins, 3431 A. Crittenden St., St. Louis, Mo., writes:

"Among all the greatly advertised medicines for kidney and bladder trouble there is nothing which equals Peruna. I suffered for several years with this trouble, spent hundreds of dollars on doctors and medicine and all to no purpose, until I took Peruna."

"One bottle did me more good than all the others put together, as they only poisoned my system. Peruna cured me. I used it for four months before a complete cure was accomplished, but am truly grateful to you. The least I can do in return is to acknowledge the merits of Peruna."

A REMARKABLE RECOVERY.
Mr. John N. Watkins, whose portrait accompanies this article has a very interesting story to tell. He

sent it to us entirely unsolicited. His statement is, "The least that I can do in return for the benefit I have received, is to acknowledge the merits of Peruna."

A great many people feel this way, and voluntarily give us the privilege of using their testimonial in spite of the fact that there are some who are prejudiced against testimonials.

Mr. Watkins' trouble was kidney and bladder disease, as he states. Just exactly what the nature of the disease was we have no means of knowing. He had, however, what the doctors called kidney disease, and he had suffered for several years with the trouble.

Naturally enough a man of his means and energy would not sit down and whine because of his trouble, but he attempted to find relief. He spent hundreds of dollars in trying to find relief. It seems that he was disappointed entirely.

At last he was induced to take Peruna. Just who called his attention to the remedy we do not know. We presume it was a neighbor who had taken it for a similar purpose. In beginning to take Peruna he states:

"One bottle did me more good than all the other remedies put together." He continued to take Peruna for four months, at which time he claims he was completely restored to health. It was his gratitude for good health again that led him to write the testimonial and allow us to use his portrait in connection with it.

We offer no explanation as to how Peruna effected a change in his case. The operation of medicine is mostly inexplicable. The fact that he had diligently sought relief and tried other popular remedies and began to improve as soon as he took Peruna, is evidence that cannot be disputed that Peruna did for him just what he says it did.

Naturally enough, Mr. Watkins recommends Peruna to other people similarly afflicted. If any one desires to write him and obtain further particulars they should remember to enclose a stamp for reply. Otherwise their letter may receive no attention.

Catarrh of Kidneys.

Judge C. J. Park, R. F. D. 4, Greensboro, Greene Co., Ga., writes: "For a long time I was troubled with catarrh of the kidneys and after taking Peruna I feel like a new man." Those who object to liquid medicines can now procure Peruna Tablets.

ARRESTED ON CHARGE OF FORGING CHECKS

INDIANAPOLIS, Sept. 20.—John Castle, 20 years of age, of Evansville, Ind., was arrested here Friday on a charge of passing forged checks. It is alleged that the youth gave a check for \$100 to an automobile salesman to hold a car he said he intended to purchase and later cashed a check for \$150 at a local hotel which the automobile man indorsed.

Castle was arrested when he appeared at a clothing store and purchased \$200 worth of clothing, including two suits of clothes, an overcoat, and some silk shirts, which he asked to have charged to him.

The checks he issued were on a bank at Toronto, Canada.

MRS. DIXON NOT GUILTY.
JEFFERSONVILLE, Ind., Sept. 20.—Mrs. Ella Dixon, charged jointly with her husband, Thomas, with having murdered Leonard Sanders, at New Albany, was found not guilty by a jury in the circuit court here Friday. The jury however, was unable to agree as to Dixon's guilt and was discharged. Dixon will have to stand retrial.
